JOIN US IN THE FUN AND EXCITEMENT OF THE RACING WORLD!

We have pleasure in inviting you to accept a special opportunity to join the Shabra Charity Racing Club and enjoy the many benefits that membership of our friendly club can bring.

Owning a racehorse can be an expensive hobby but as a member you can share in the excitement and experience at a fraction of the cost.

The one off donation to Shabra Charity Foundation is just €1,000 and offers a unique opportunity to follow the sponsored horses on the racetrack without extra payments such as vet, farrier or training fees for the racing life of the horses. Should any additional horses be added to this club in the future, members will be requested to donate towards them, however there will be no obligation to do so.

Oliver Brady and Rita Shah have a combined track record in the racing industry since 1986.

As a Club member you can enjoy the benefits of their expertise and, through a variety of hospitality events, gain from their experience and knowledge, whilst supporting very worthy causes.

ABOUT US

“Oliver went through some difficult times with cancer, major heart bypass surgery and I thank God that he has come through it. On reflection we feel that when one goes through a turbulent health period, we must help the unfortunate who are seeking help and someone who can lend a hand. We have chosen the proceeds of the charity to go towards heart & cancer research in Ireland. The charity will also support the children who are orphaned, by their parents who died due to HIV and Aids by building a suitable orphanage and school facilities in Kenya.”
